Tips
Keep it clean. A clean house may be a healthier house, because good indoor hygiene can greatly cut down on dust and animal dander. Change your filters. Run more cleaning cycles with Scense, and just let the fresh air in.
Orci eu lobortis elementum nibh tellus

BUSINESS MODEL

scense

Hardware Sales

Hardware sales with ~60% margin covers large portion of fixed costs

Retail: $149.99 60%Margin

+

Hardware add-ons

Add'l hardware features for a fee: air quality, humidity readings

+

Subscription Fragrance Sales

Subscribers receive discounted, single fragrance delivered to their home monthly

Monthly: $9.99 40%Margin

→

Sustainable Business Model

Multiple revenue streams, some one-time, some recurring, provide a diversity of income

Middle-Tier Pricing creates new market bridging low-end of home fragrance by CPG products like Airwick and ultra-premium world of LeLabo and Diptyque.

Customer Acquisition Cost of **$59** and average **Lifetime Value** of **$139.22.** Improves with economies of scale once production grows >5,000 units/yr.
